MARBLE VALLEY
A C A D E M Y

MVA INVENTION CONVENTION STEM PROGRAM

NOW ENROLLING FALL 2020/2021

Students are introduced to engineering terminology that they are encouraged to use throughout the class when identifying pieces, posing questions, or assisting each other. Participants are encouraged to utilize the engineer design process and further explore engineering applications of the principles and construction methods by inspecting, testing, modifying, and rebuilding

SIGN UP TODAY!

2 days a week- 3:15-4:15
8 week Program - $250.00
Semester Program - $500.00
Full Year - $950.00

Higher Learning. Higher Achievement.

Become an Engineer by discovering the fundamentals of tinkering, science, art, and technology! Design, code and build MakeyMakey interactive Scratch games, scribble machines, Rube Goldberg make-your-own marble runs, squishy circuits, paper automata, and more!
