

LANGUAGE IMMERSION

Buenos
días

Bonjour

MARBLE VALLEY
ACADEMY

LANGUAGE IMMERSION PROGRAM

NOW ENROLLING FALL

Learning a foreign language has been proven to be one of the most comprehensive ways to stretch the capability of the mind to think. At Marble Valley Academy, where we are creating life-long learners, we feel a deep desire to offer comprehensive language programs to our students on all levels. We offer 2 programs for students who are looking to take their language study to a higher level.

SPANISH MORNING IMMERSION

Our morning IMMERSION SPANISH CLASS runs **7:30-8:25 M-TH**. This allows students who really want to try and become fluent in the Spanish language to take it to the next level. Students will follow along with an Apex Program while working on their conversational language with a professional teacher. *Other languages for morning immersion may become available on a students needs basis*

SEMESTER COST: \$160/month

APEX ONLINE LANGUAGE (Non-MVA Students)

For students NOT enrolled at MVA, we offer an online alternative. With more and more distant learning options, our online partnership with APEX, allows students to just take a language course(Multiple languages available). Students can work at their own pace and enhance the current curriculum that they are already doing. For those interested in Spanish, MVA is currently offering the ability to join our morning Immersion class.

SEMESTER COST:

\$200/month (plus 300 for APEX COURSE.)

Higher Learning. Higher Achievement.

Please reach out to our MVA director, Melissa.crangle@mva-edh.org if your child would like to participate in these programs.
